REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

Referring to claims 16-19 and 39: The reasons for allowance were indicated in the office action dated 01/07/2005.

Referring to claims 27, 31, and 36: Because the claims are amended to incorporate the allowable feature regarding to claim 16 (as indicated in the office action dated 01/07/2005 and repeated below), the primary reasons for the indication of the allowability of the claims is the inclusions therein, in combination as currently claimed, of the limitation that wherein the spittoon is configured to accumulate a puddle of the first ink formulation therein followed by spitting the second ink formulation into said puddle, and to splatter the second ink formulation out of said puddle for evaporation of the said second components and accumulation of said non-dried ink sludge beyond said puddle is neither disclosed nor taught by the cited prior art of record, alone or in combination.

Claims 28-30, 33-35, and 37-38 are allowed because they depend directly/indirectly on claim 27, 31, or 36.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
